Trade terms & how to order

We manufacture heirloom-grade wooden puzzles in India and supply retailers, distributors and gifting partners worldwide. Every rate in this list is per unit, and each design is ordered in whole multiples of the MOQ beside it — 100 or 200 against a MOQ of 100, never a figure in between. Designs can be mixed freely.

TRADE TERMS

Each design is ordered in whole multiples of its MOQ — 50 units unless the item states otherwise. Rates include 18% GST; shipping as per the actual shipping partner. Private labelling and export packing available; typically 3–4 weeks from a confirmed order.

All prices are in Indian Rupees and are the wholesale rates per unit, inclusive of GST; shipping is as per the actual shipping partner, current on 27 October 2026. Quantities are taken in whole multiples of each design's MOQ. Prices, materials and dimensions may change without notice — please confirm before ordering.
